

Meeting for Parents in Class 2

A reminder that we are hosting a meeting this week for parents with children in years 1 and 2 on Wednesday at 5.30pm.

The meeting will be to explain more about the statutory tests children will be taking this term and to ask any questions you may have.

The meeting should only last approximately 30mins and will be held in Class 2. If you can't make it and would like some information sending out, please see Mrs Smith.

Interviews for a Class Teacher

We are already thinking about staffing for September 2016 as the school grows. We are currently recruiting for one class teacher (initially) to start in September.

I will be going out to schools throughout this week to see candidates teach and interviews are taking place this Friday.

I will keep you informed about any appointments that we make.

National Offer Day

As you may already know, parents have been informed which school they have been offered for their children to start in Reception in September 2016. This information was released on Saturday and today.

This obviously impacts on us as we find out how many children we will have starting with us in Reception in the new academic year. I will have more information very soon, but I can say that interest has been high.

Our Local Children's Centre

We are always looking to develop partnerships with local organisations whenever we can so we were very pleased to be approached by the 'Northern Children's Centre'. They were very keen to work with our school both in the short term and in the future, with the school forming a base for some of their activities.

When we were originally setting up the school, a number of parents commented that they would like access to more pre-school activities/baby and toddler groups in the area. This is something we are working towards providing at Wynyard but in the meantime, will pass on their newsletters if you or anyone you know would benefit from what they offer. I have attached their newsletter.

Monday 18th April 2016

Stars of the Week

Our stars of the week from the week before Easter are:

Class 1: Skye

Class 2: Katie

Well done to them both!

School Contact Details

The school number is 01740 555005

School's mobile number is 07534115103

Rearranged Warburtons Visit

We have managed to rearrange our session with Warburtons which will now take place tomorrow after it was cancelled last month due to the lady who leads it being ill.

The workshop will give children the chance to learn more on the production of bread, healthy eating and reducing food waste. Everyone will get the chance to bake some bread and make their own healthy sandwich.

Bug Club

The weekly competition is going well and lots of Dojos are being won. In addition to the weekly prize, we will have an overall winner for this term with a very special prize.

Class Newsletters

Teachers will be handing out their own termly newsletters tomorrow. Please check children's bags.
