

A Warm Welcome

On behalf of myself, the staff and governors, I would like to welcome you all to Wynyard CE Primary School. It was a proud moment for us all when the children (and parents) arrived on Thursday morning. We are all at the start of an extremely exciting journey – we hope you enjoy it with us.

News

We have a coach from 'Craig's Coaching' with us on Wednesday afternoons from this week. He will be working with teachers to provide high quality PE as well as leading the 'Huff & Puff' after-school club.

Children will be starting acrobatics/gymnastics on Friday. We have an external coach, Miss Emma Craggs, who will work with the children throughout the year. I have employed Emma in two previous schools over a period of ten years. She will teach the children a range of gymnastic skills and you will be invited to watch them in action in the not too distant future – you will be amazed!

Assessments

Teachers will be starting their baseline assessments shortly. These will be used to help us to measure the progress your children make with us. You will receive more information on the assessments we use and what the outcomes mean as the year goes on.

Building Update

Staff have worked around the clock to get the buildings ready for the start of term. The classrooms are looking great and our IT is up and running. We were all looking forward to the completion of works today but, unfortunately there have been some delays. These should hopefully be resolved in the next couple of days. I will keep you informed.

Water/snacks

Could we ask that your child brings a water bottle with them to school every morning? Staff will ensure they are returned on a night.

We provide children with milk and a snack during the day, but you are more than welcome to send an additional healthy snack if you would like to.

Clothes

Can you please ensure name labels are on clothes?

Payment for these clubs can be made when you drop off/pick up or alternatively we will invoice you on a fortnightly basis.
