

Holiday Clubs

A reminder that we have two more holiday clubs during half-term. They are taking place on Thursday 2nd and Friday 3rd June.

If you are interested, please return your completed form with payment by next Friday (20th May). Please contact the office if you need a form.

Outdoor Learning

Staff and children are making good use of the outdoor areas at the moment to enhance learning. Here are a few examples:

Class 1 have created their own Olympics!

Class 2 have been solving maths problems and have also had an unexpected visitor from 'outer space'!

We are also hoping to have another 'Forest Schools' Day soon – more information on that to follow.

Fathers' Day Meals

Fathers (or grandfathers) are invited to come into school on Friday 17th June to celebrate Fathers' Day with us.

You are welcome to stay for lunch with your child and should arrive at approximately 11.30am. You will receive more information soon with a reply slip to return to school.

Stars of the Week

Our stars of the week are:

Class 1: Olivia

Class 2: Ava

Well done to them both!

School Contact Details

The school number is 01740 555005

School's mobile number is 07534115103

My email: rward@wynyardprimary.org.uk

Mrs Lisa Hails:

lhails@wynyardprimary.org.uk

Mathletics

Most of the children have now had a go at 'Mathletics' at home as well as at school. 'Mathletics' is an online system where children can practise and enhance their maths skills in a fun and mildly competitive way.

We took it on trial earlier in the term and will now be subscribing after fantastic feedback from children and parents.

All children will have their own login and password to access 'Mathletics' but if you would like to find out more, or you have any questions, please speak to a member of staff.

Tea Club

With the weather improving, Liz has started to take the children outside to play during Tea Club. This will become a regular occurrence during the Summer Term.

Parents should still ring the bell as normal, but it may take a little longer to answer.
