Dere Street Homes

Dere Street Homes are building 64 homes on the site next to school, starting their development tomorrow. We have met with them recently, and will continue to meet regularly, to ensure nothing impacts on the operation of the school or safety of the school community. Dere Street will be fencing off their site boundary but this should not cause any additional problems with parking. We have asked them to avoid arranging deliveries at school drop-off and pick-up times. We will keep you informed of any further developments.

Planning Permission – Temporary Site

We are pleased to let you know that planning permission for the extension of the temporary site was granted last week. We find out about the permanent site on Wednesday – we will let parents know as soon as we can.
