Permanent School Building Update

We had a meeting on Friday with all parties connected with the construction of the new school. This included our builders and ESFA (Education and Skills Funding Agency). We have been told that we do need to put a contingency plan in place in the event that the permanent site is not ready for September 2018. This is very frustrating for us all but please be assured that any delay will be a short term delay and it will not affect our ability to provide the same high quality education we do now. We will still open the nursery in September and will be admitting children to Reception as normal.

We expect an update towards the end of this month, but in the meantime, if you have any questions, please get in touch.

Secondary School Update

For those who don't already know, DFE have announced that decisions regarding new free schools have now been put back until Spring 2018. Therefore, we will have no more news on the potential new secondary school until Spring 2018.

St John Ambulance Big First Aid Lesson

On Friday we took part in 'The Big First Aid with St John Ambulance. They learned about keeping safe in preparation for Bonfire Night and also about basic first aid. We all had a fantastic afternoon and the children thoroughly enjoyed it.

Poppies

In school we have poppy appeal items (inc wrist bands etc) for sale every day this week. If children would like to buy something, we ask that they bring a contribution into school.
