

Climbing Club

Class 7 had a fantastic time taking part in our climbing club at 'Go Climb' last week. The children enjoyed racing each other up the climbing walls, jumping off 'The Leap of Faith' and sliding down the giant slide. We are looking forward to the second session this week as the children will get the opportunity to climb in the dark using head torches!

Parking/New Car Park

We are pleased to let you know that the new (temporary) car park is nearly ready for parents' use. As soon as the parking bay lines are painted on (hopefully sometime tomorrow) the car park can be used for dropping off and picking up.

Please note, the footpath (crossing) has been moved to accommodate the new entrance to the car park. As always, we ask that you take care when parking to ensure that the entrance to the car park and the path are kept clear at all times.

New Teaching Student

We have a new teaching student from Shotton Hall Scitt in Year 1. Miss Whitelock will be working alongside Miss Taylorson up until the Easter break.

Swimming Gala

Some of our Class 7 pupils took part in a swimming gala at Thornaby swimming pool last week. They did extremely well coming 1st in all of their races. We are waiting for the final times to come in before we know where they came in the competition. Further information will be on next week's newsletter.

On Wednesday afternoon it will be Class 3's turn to take part in an educational forest school lesson. Can you please ensure children bring some warm clothes and suitable footwear to change into.
