

Hoopstarz Year 3

Class 6 had a fantastic time at the Hoopstarz event on Friday morning alongside other local schools. They have practised and gained lots of new skills and tricks - ask them to show you! They also worked hard in groups to build a 'Hoop Hut' which could fit everyone inside. Well done to Abbie, who managed to win the competition of hula-hooping the longest whilst demonstrating tricks.

Class 6 Netball

Class 6 will be taking part in a Netball tournament tomorrow morning at Durham University, Stockton. Children will be transported to and from the venue by bus and will be back in time for lunch. They can come to school in PE kits but please bring uniform ready for the afternoon session in school.

Class 6 do not need their guitars tomorrow.

Holiday Club

We will be operating a holiday club from Monday 12th to Friday 16th February with Ollie from Craig's Coaching. Attached to this newsletter you will find a holiday club form to complete and return, or you can pick one up from the office. All forms should be handed into the school office by Friday 2nd February. Please note, if we do not have sufficient numbers, we may have to cancel the club. We will let you know ASAP if this is necessary.

Monday 22nd January 2018

Stars of the Week

Our stars of the week are:

Class 1: Maddison **Class 2:** Lucy **Class 3:** Mia
Class 4: Danielle **Class 5:** Evie **Class 6:** Emily
Class 7: Connie

Well done to them all!

Nursery

As you know, we will be opening a school Nursery in September 2018 for children aged 3-4 years old. Those of you who have submitted an application for your child to start with us in September should have received a letter with more information about Nursery on Friday. If you have completed a Nursery application form you do not need to do anything else. We will contact parents from **Monday 16th April** to confirm places and ask you to choose preferred session options. We also have a new Nursery section on the website which we will continue to update with information.

Times Table Rock Stars

We hope you have had the chance to test out our new 'Times Table Rock Stars' maths resource. Logins were sent out before Christmas for all children in Year 1 to Year 5 to try out the resource. If children haven't been able to use it yet, they will have the chance to access it in their classes this week as well as at home if they would like to.

A big well done to our top 5 'Times Table Rock Stars' this week who earned the most coins by answering the most questions correctly. They are:

1. Sam M
2. Zakariya
3. Isla M
4. Cruz
5. Callum

Each child was awarded a VIP wristband and a certificate for their achievements. In addition to the in-school challenge, we also had the fastest speed per question of any school within a 30 mile radius!

Forest Schools

On Wednesday afternoon it will be Class 4's turn to take part in an educational forest school lesson. Can you please ensure children bring some warm clothes and suitable footwear to change into.
