

Phonics - Letter of Achievement

It is our pleasure to attach a letter from Rt Hon Nick Gibb MP regarding the results of the phonics screening check taken at the end of the last school year. We are committed to ensuring high quality phonics teaching is in place and are delighted with this recognition.

Louise Bradley Music Lessons

Louise Bradley will not be in school on Friday 8th December so music lessons are cancelled on that day. Louise will attempt to rearrange as many lessons as she can. Where it is not possible to rearrange, parents will be refunded.

Golf Final

A selection of children in Class 7 competed in the Tri Golf competition at the beginning of November and won. They will now represent Teesside in the County final on Wednesday 6th December at The Sports Domes in Seaton Carew. This event takes place in the morning - children will return to school in time for lunch. We wish them well in the final.

Digital Leaders

Our Digital Leaders are doing a great job in their new role! They have already led some e-Safety teaching for their classes and even led workshops for the whole school during Anti-Bullying week. Over the coming year, they will be involved in a range of activities to support the teaching of e-Safety across school and developing our Computing curriculum further.
