

Class 4 Forest School

Last Wednesday, Class 4 went on their forest school lesson. Despite the really wet weather in the morning, it brightened up just in time for them to build their shelters, make mud art and sit round the fire toasting marshmallows. They all thoroughly enjoyed the afternoon!

Dragonfly School Foundation

Last year (as some of you know) we formed a partnership with 'The Dragonfly School Foundation', who were opening a new school in India to educate some of their poorest children. Sue and Ian Bretherton, who lead the foundation, visited us to discuss the project with the children and the School Council organised a sponsored event which raised £1,440. Ian returned this morning to share some letters from the children in India and let us know how the money is being used.

We were all very proud to hear that the funds we all raised have been sufficient to pay for 2 teachers' salaries for 8 months. The children are now very keen to do some more fundraising later in the year. They also want to 'Skype' children in India as soon as we can set it up!

Forest Schools

On Wednesday afternoon it will be Class 5's turn to take part in an educational forest school lesson. Can you please ensure children bring some warm clothes and suitable footwear to change into.
