The Permanent School

We had our first meeting with builders on site last week to discuss developments with the new school. It was lovely to see the diggers in action and the amount of work that has already gone into the site.

We hope to be able to share further developments very soon.

Years 3, 4 and 5 Dance Workshop

On Friday, children from the Key stage 2 Dance Club went on a visit to Billingham Forum to rehearse in one of their professional dance studios. Great fun was had by all. As well as working on choreography for the upcoming competition, students were given the opportunity to choreograph their own solos and group routines, which they performed in front of each other.

We are sure that year 2 will have a great time too when they go on Friday.

Years 3, 4 & 5 Cross Country

A group of children from Class 6 and Class 7 had a brilliant afternoon competing in the Stockton Schools' Cross Country Competition at Northfield last week.

There were a large number of schools taking part from across Stockton so competition was strong. All children who took part from Wynyard were absolutely fantastic on what was a very cold and muddy day. I am very pleased to report that a large number of our children qualified for the County Final with a few actually winning their races. Well done to all!
