Nursery

Over the last few weeks, our Year 6 pupils have been spending some of their lunchtimes visiting Nursery. It has been wonderful to see our oldest and youngest pupils enjoying working together, and the children in Year 6 have been extremely helpful in developing and supporting the Nursery children in their play and learning. As you can see from the photographs, the children have great fun together!

January Intake

As many of you know, when we move to the permanent school building in January, we will be increasing our Nursery capacity from 26 pupils to 39 pupils. We are now in a position to let parents know that children currently on the Nursery list who turn 3 by 31st December 2018 will be able to access a Nursery place from January, although we cannot as yet guarantee which session option it will be. Over the coming week, Miss McCabe will be contacting all parents on the list and will ask them to complete a form indicating their preferred session options in order of preference. In addition, if any parent of a child currently in Nursery would like to change their session option for January, please speak to Miss McCabe or contact the school office by Friday 5th October.

Guitars

A reminder that Years 3 - 6 have guitar lessons every Tuesday. Guitars should be brought in and taken home each week.
