

New Starter

You may have noticed a number of children have been doing 'taster/transition days' with us recently. There will be a few more over the next few months leading up to the summer.

We welcome another new starter on Wednesday. Alexa joins us in Year 1 from Sedgfield. We hope she enjoys her time with us.

Year 2 SATs

Children in Year 2 started their SAT tests today. They will be completing a range of English and maths tests over four days.

Good luck to them.

Coats

Can you please ensure children have a light coat or a warm top with them when they come to school (it was only a week or two ago that we talking about hats, sun cream and warm weather!).

Staff are finding that if children don't bring one, they are getting cold some days when the weather changes.

Mathletics and Spellodrome

It was mentioned on a previous newsletter that our trial of 'Mathletics' and 'Spellodrome' had ended.

After very positive feedback, we have subscribed and recently received notification that Mathletics and Spellodrome are available for use again. Children should be able to access both but if you have any problems, please speak to a member of staff and they will look into it for you.

Class 1 Plant Hunt

Class 1 are heading out to search for wildlife tomorrow afternoon as part of their 'Out and About in Our Environment' topic.

They will be looking for different types of plants in the wildlife area opposite school.
