

STEAM Week

Last week, we had a fantastic inspiration week based around Science, Technology, Engineering, Art and Mathematics (STEAM) subjects and careers. We had visitors from industry, universities and other organisations visit us to help inspire our learning. Everyone thoroughly enjoyed all of the activities over the week as you will be able to see on our school Twitter page. Many thanks to everyone who helped out.

World Book Day

We had a great time celebrating World Book Day last Thursday. Children's costumes were fantastic and 'The Book in a Jar' competition and 'The Great British Book Off' were a huge success. Lots of photos are attached to the newsletter.

Ready Steady Read!

We would like to say a huge thank you to all of the children who took part in the Ready Steady Read last week. As you know, this fundraising was set up to help raise money to purchase books for our new school library. If you were able to support our sponsored read, can you please return both your Sponsorship Form and Reading Log along with any Sponsorship money to either your child's class teacher or into the school office no later than Monday 18th March. We will provide an update very soon on how much we have raised. If you have any questions, please see Miss McCabe or you can contact Claire Scott on 07816295726.
