Ready, Steady, Read!

As you will have seen when you visited school on our open evenings, we have a fantastic new library with a lot of shelves that are yet to be filled with books. In order to help us purchase books for the library, next week, we will be holding a sponsored read event. From Monday 4th until Sunday 10th March, we are encouraging children to read (or be read to for our youngest children) for as many minutes as they can each day. Attached to this newsletter is a letter with more information about the event.

Sponsor forms and reading logs will be sent out with children over the next few days. We would like to say a huge thank you to Claire Scott, one of our parents and a local Usborne Independent Organiser for her help in organising this. In addition to all the sponsorship money raised, Usborne will also donate 60% of the total raised in extra free books to help us fill the library shelves.

World Book Day

In our last newsletter, we told you about our exciting plans for World Book Day on Thursday 7th March. Children can come into school dressed as their favourite book character if they wish and we are also running a 'Book in a Jar' competition. The World Book Day letter is attached again to this newsletter for you.
