

Ready, Steady, Read!

Our sponsored read starts today and will continue until Sunday 10th March. We are encouraging children to read (or be read to for our youngest children) for as many minutes as they can each day. Sponsor forms and reading logs were sent home in school bags last week. We ask that all reading logs, sponsor forms and any sponsorship money raised is brought into school by Monday 18th March. In addition to all the sponsorship money raised, Usborne will also donate 60% of the total raised in extra free books to help us fill the library shelves. If you have any questions, please speak to your child's class teacher.

World Book Day

A reminder that it is World Book Day on Thursday 7th March. Children can come into school dressed as their favourite book character, if they wish, and we are also running a 'Book in a Jar' competition. All entries for the competition need to be in school by the morning of Wednesday 6th March for judging.

Memorial Garden

As you may have seen, 'All Seasons Landscapes' started landscaping the memorial garden at the front of school over the weekend. Unfortunately, this means the two disabled spaces are taken up for the next few days. However, this should not affect drop off and pick ups as other available spaces in our car park can be used whilst the spaces are out of use. No works will take place during pick up and drop-off times.

Netball/Rugby Tournament

A selection of pupils from Year 5 (Class 9) & Year 6 (Class 10) have been selected to go to Red House School on Friday 8th March to take part in a Netball/Rugby tournament. A letter with more information about this was sent home last week. Please note that the tournament does not finish until 4pm, therefore, children will need to be collected from school at 4.30pm. If you have any questions, please speak to Miss Taylorson in Class 3.

Forest Schools

On Wednesday 6th March, Class 10 (Year 6) will take part in their forest school lesson. Please ensure children have suitable clothing to change into and a waterproof coat and wellies.

Year 2 Recycling Workshop

As part of our STEAM week, on Thursday, Year 2 will take part in a workshop which involves using recyclable materials. Mrs Uttley and Miss Highfield kindly ask that parents save any plastic bottles, yogurt pots, cardboard boxes or anything recyclable that could be used during this session. These should then be brought to school on Thursday morning. Thank you.
