We are a Rights Respecting School and our policies reflect this in line with our belief that children have rights but also responsibilities as part of our school community.

This policy links directly to the following articles of the UN Convention of the Rights of the child.

**Children's rights and responsibilities:**

**Article 12** - Every child has the right to have a say in all matters affecting them, and to have their views taken seriously.

**Article 15** - Every child has the right to meet with other children and to join groups and organisations, as long as this does not stop other people from enjoying their rights.

**Article 19** - Governments must do all they can to ensure that children are protected from all forms of violence, abuse, neglect and bad treatment by their parents or anyone else who looks after them.

**Article 28** – Every child has the right to an education. Primary education must be free. Discipline in schools must respect children's dignity. Richer countries must help poorer countries achieve this.

**Article 29** – Education must develop every child's personality, talents and abilities to the full. It must encourage the child's respect for human rights, as well as respect for their parents, their own and other cultures, and the environment.

**Article 36** - Governments must protect children from all forms of bad treatment.

**Article 37** - No child shall be tortured or suffer other cruel treatment or punishment.

## 1.0 Objectives of this Policy

The Wynyard CofE Primary School Anti-bullying and Prevention of Bullying Policy outlines what our school will do to prevent and tackle bullying. We take any incident of bullying very seriously and record all incidents. This policy will be disseminated to the school community.

### Our school community:

- Discusses monitors and reviews our anti-bullying policy on a regular basis.
- Is aware of the potentially serious actions that can follow bullying. These include psychological damage as well, in extreme cases leading to suicide
- Supports staff to promote positive relationships and identify and tackle bullying appropriately
- Ensures that pupils are aware that all bullying concerns will be dealt with sensitively and effectively; that pupils feel safe to learn; and that pupils abide by the anti-bullying policy
- Reports back to parents/guardians regarding their concerns on bullying and deals promptly with complaints. Parents/ guardians/carers in turn work with the school to uphold the anti-bullying policy
- Seeks to learn from good anti-bullying practice elsewhere and utilises support from other relevant organisations when appropriate.

## 2.0 Aims

We are committed to providing a caring, friendly and safe environment in our school for all of our pupils so they can learn in a positive and secure atmosphere. Bullying of any kind is unacceptable at our school. We recognise that bullying could lead to suicide and all incidents are treated very seriously. If bullying does occur, all pupils should be able to report it and know that incidents will be dealt with promptly and effectively. All members of the school community should understand:

- the definition of bullying and that it will not be tolerated in our school;
- the policy on bullying and know how to follow it when bullying is reported;
- that support will be given when bullying is reported;
- that through monitoring, reviewing and training, the school aims to develop a positive atmosphere where pupils feel confident to tell if they are being bullied and that bullies can change.
