

School Photographs

A reminder that Tempest Photography will be in school on Wednesday this week to take individual school photographs. Unfortunately, due to our current Covid-19 risk assessment, we are unable to invite siblings who do not attend our school in for family photos. Siblings in school will still be able to have their photograph taken together, as well as their individual photograph.

All children will need to come in to school in their uniform on Wednesday— please see the information below for Year 6 and those taking part in Forest Schools.

If you have any questions, please speak to the school office.

Forest Schools

On Wednesday, it will be Nursery's turn to take part in an educational forest school lesson. **As school photographs will be taken on this day, we ask that children come to school in their school uniforms as they will have their photographs taken at the start of their Nursery session.** We ask that children bring a pair of wellies, a waterproof coat and a change of trousers/ leggings to get changed into in the event of bad weather.

Should you have any questions, please speak to Miss Jemmeson or the school office.

Year 6 Trampolining—Wednesday 3rd November

We are making a minor adjustment to our arrangements for Year 6 trampolining and PE sessions on Wednesday due to school photographs being taken. Please can all children come to school in their uniform and bring their sports kit to change into once they have had their photograph taken.

Gymnastics After-School Club

Unfortunately, we will have to cancel our gymnastics after-school clubs for Reception (Tuesday) and Year 5 (Wednesday) this week. Tea Club will be available should you need it. Friday's gymnastics after-school club for Year 6 will go ahead as normal.

Reading Leaders

Please meet Wynyard's Reading Leaders: Hugo and Dihain (Year 6), Vihaan and Ava (Year 5), Erin and Ethan (Year 4), Peter and Sophie (Year 3) Poppy and Arabelle (Year 2), Emily and Zeren (Year 1) and Dixie and Ariana (Reception).

Before half term, the Wynyard Reading Leaders met up to discuss how the money raised from World Book Day should be spent. After careful consideration, the Reading Leaders decided to split the £408 raised between UNICEF and Save the Children to support the education of children around the world. This is the first of many important undertakings the Reading Leaders will take on. I am sure you agree, they make a fantastic reading team.

Year 3 Athletics After School Club

Unfortunately, due to an unforeseen issue with staffing commitments, our Year 3 athletics after-school club will be changed to science club this half-term. The same register will stay in place until the end of the term; however, should your child decide they do not wish to attend science club, please let the school office know and we can allocate the place to someone on the waiting list.

Times Tables Rockstars

To celebrate Maths week, we will be taking part in the Times Tables Rockstars competition, 'England Rocks', involving schools from across the country from today until Thursday 11th November. Children from Year 2 to Year 6 will be spending some time in school earning points for their class by playing the games on the platform but we would love children to get involved by logging in to Times Tables Rockstars at home too. Please note, children will be limited to 60 minutes of game time on the platform each day. The three winning classes from across the country will receive a prize. Hopefully, one of these winners may be from Wynyard. Good luck everyone!
