

Children in Need

A huge thank you to everyone who donated to Children in Need on Friday through our online donation page and the cake stall organised by our school council. We are incredibly pleased to announce that the final amount raised was £608!

Thank you to Sharon and her team who made the delicious treats for the school council to sell!

Congratulations and Best Wishes!

We would like to extend our congratulations to Miss Whitton and Miss Home, two of our TAs, and their partners, who are both expecting their first child in the Spring! We would also like to extend our thanks and best wishes to Miss Bradley (Reception TA) who leaves us on Friday to join the police!

Christmas Plans

As mentioned on last week's newsletter, during the past week we have been working with our health and safety advisors on plans for Christmas. Unfortunately, due to high rates of cases locally, after advice, we have had to make the difficult decision to perform Christmas shows without parents in school. We understand this will be disappointing; however, performances will be recorded and links to watch them will be sent to parents towards the end of term.

The children will be having Christmas dinner on Wednesday 15th December - children who usually have packed lunches are welcome to have a dinner that day if they would like to. Please let the office know. Christmas parties and Christmas jumper day will also take place on 15th and we have a 'virtual panto' planned over the last week too.

Covid-19 FAQs

As we see more cases, we would like to remind parents of our 'Frequently Asked Questions' which we circulated earlier this term. This document will hopefully cover some of the questions you may have, should a case, or multiple cases, arise in school.

Forest School

On Wednesday, it will be Year 3's turn to take part in an educational forest school lesson. Class 7 will go in the morning followed by Class 8 in the afternoon. **Children can come to school in their forest school clothes.** In the event of bad weather, please ensure they bring a waterproof coat and suitable footwear.

School Photographs

Tempest Photography will be in school on Wednesday 24th November to photograph any children who were absent on our recent school photograph day. The school office have a list of these children and will ensure individual and sibling photographs are taken.

Class 10

Class 10 will return to normal activities from tomorrow. They will return to Breakfast Club in the hall and Tea Club in the STEAM room. Swimming will take place tomorrow afternoon as normal and after-school clubs will resume, including trampolining tomorrow evening.
