

Year 5 and 6 Sports Leaders

On Monday, Year 5 and 6 teachers will be holding an election for our new sports leaders for this academic year. The role of the Sports Leader involves leading playtime activities, organising intra-school competitions and helping to promote sport and physical activity in school. If your child is interested in being a sports leader, they will be asked to put their name forward for a year group vote. The three Year 5 children and the three Year 6 children who are voted to be our Sports Leaders for this year will be attending Sports Leader training on Wednesday 20th September at Durham University Stockton Campus. Unfortunately, children who are elected to school council on Friday are not able to put themselves forward for this role.

School Wall Art

Over the summer break, we have had some wall art added to our staircase and school hall wall.

The timeline on the stairs includes lots of historical events that children study as part of the history curriculum here at Wynyard.

We are extremely pleased with the finished result.

School Council

We would like to say a huge thank you to last year's school council who all did a fantastic job of generating ideas for school improvement and organising fundraising events for both local and national charities! At the end of this week, we plan to re-elect a new school council (Years 1 to 6) and will have one school councillor per class. Anyone who would like to run for school council will need to prepare a short speech to present to their class on Friday 15th September before a class ballot is held. In the event that children are a little nervous on the day, class teachers will share their speech. Last year's school councillors are not able to run again this year, but can vote in the class elections.

Forest Schools

On Wednesday, Year 4 will be taking part in an educational forest school lesson led by our forest school leader, Chris. Please ensure children wear suitable clothing and footwear for the weather and, if necessary, bring a waterproof coat. We also ask that any long hair is
