

Wellbeing Leaders

Following class votes, our Year 5 and 6 wellbeing leaders recently received their first training session from Go Well, a local company who promote positive physical and mental health.

Our wellbeing leads were fantastic during their training and they have all been given a task to think about over the Christmas and New Year period. Their task is to come up with a plan to encourage positive mental health at playtimes, lunchtimes, including activities for others to get involved in during these times.

Their next meeting is in February, so we will look forward to hearing all of their thoughts and good ideas before launching some of these in school.

Spring Term Clubs

The booking system for our new timetable of after school clubs for the Spring term, starting Monday 8th January, will open at 7pm tomorrow (Tuesday 17th December).
