

### World Mental Health Day

Last Thursday, children were invited to wear yellow, bright clothing or clothes that make them happy for World Mental Health Day. We celebrated this national day to show young people that they are not alone with their mental health.

Thank you to everyone that donated to our Just Giving page.

### Class Web Pages

As we no longer use eSchools, information that was previously available on your child's class page can be accessed via the class pages on our school website. These pages contain key information including topics and themes that children are currently exploring.

### Bulb Planting

A special thank you to one of our lovely parents, Mr Oakes. Mr Oakes has been busy tidying the raised beds in school outside the Key Stage 2 classrooms. Last week Mr and Mrs Oakes kindly donated some bulbs so that every child can plant one. We can't wait for them to grow—they are going to look amazing! Thank you so much to the Oakes family for their kind generosity.
